REQUEST FOR CORRECTION OF FILING RECEIPT

Honorable Commissioner for Patents  
Washington, D.C. 20231

Date: July 3, 2001

Sir:

Request is hereby made to correct a USPTO clerical error in the Filing Receipt in the form of an omission (copy attached). This application is a Divisional of Serial No. 09/349,833, filed 07/08/1999, *which is a Continuation of U.S. Patent 5,990,479, issued*

DOCKET NO. IB-1330D

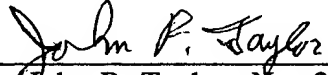

**11/23/1999.** However, the Filing Receipt states only that "THIS APPLICATION IS A DIV OF 09/349,833 07/08/1999". Please correct the Filing Receipt to add the information that Serial No. 09/349,833 is a Continuation of U.S. Patent 5,990,479, issued 11/23/1999.

The USPTO form (PTO/SB/05) from which the information for the Filing Receipt was apparently taken has only enough space to list the immediate parent information. However, the Preliminary Amendment on page 2 (copy attached) gives a complete citation of the priority information.

If there are any questions in regard to this situation, the undersigned attorney may be contacted at the below listed telephone number which is in the Pacific Coast Time Zone.

Since the error appears to be a clerical error made by the USPTO, *no charges should be made to Applicants*. However, any charges which may be incurred as a result of this request should be charged to Deposit Order Account #20-0092. A duplicate copy of this letter is enclosed.

Respectfully Submitted,
